Create YOUR OWN e-mail address?
Now Just 10.00 or 26 Stamps. you can...

Here at VFI, upon full activation, we issue you an e-mail address for example: johnjoe625854@voiceforinmates.com

However, we have had requests from those that would like to have something that would be more easily remembered.

example: neverforget@voiceforinmates.com

Now for **just \$10.00 OR 26 Stamps** you can create your own e-mail address for as long as you are a VFI Member. Basically, you will have BOTH our address and your own, BOTH will work the same (*think of it as 2 phone numbers going to the same phone*).

You will be able to give them either your personalized address, or our issued address and both will come to you.

Question: What if I have already signed up, can I still create my own e-mail address?

Answer: Yes, this service will in no way disrupt your current e-mail address. It is an add on feature that attaches itself to your current address.

Question?: Does my e-mail address have to end with voiceforinmates.com

Answer: Yes, you can only choose what comes before the @ symbol.

How do I take advantage of this offer?

Just send \$10 dollars along with 3 different email addresses we can choose from starting with your most wanted.

Example: yourchoicehere@voiceforinmates.com

Enter the 3 address here starting with your most wanted first and we will select the first one that is not already taken.

1. _____
2. _____
3. _____

We will update your account with 1 of the 3 names immediately upon confirmation of one of the two options being met. **THIS DOES NOT CHANGE YOUR CURRENT EMAIL ADDRESS JUST GIVES YOU AN ADDITIONAL ONE FOR THOSE THAT SIMPLY CAN'T REMEMBER YOUR FIRST NAME, LAST NAME AND INMATE # FORMAT**
